A&D® CANTILEVER STUDENT DESK

Meets BIFMA standards // Patent Pending

Introducing Paragon's newest "anything but traditional" design. Our desk will create configurable space with an open-tablet-styled workspace and room for easy access. The design is cohesive to the chair frame. The desk has rounded soft edges and understated lines with color touchpoints. Sidebars allow for unique accessory and ganging ease.

SHOWN WITH OPTIONAL TABLET KICKSTAND AND BOOKBOX

SHOWN WITH STANDARD BACKPACK HOOK

SPECIFICATIONS

Surface/Edge

1/2" HPL with 1mm PVC edge. Fully sealed side and edges to protect against spills and dirt. Integrated/robust "classroom front edge" has a unique cohesive design with a metal reinforced support plate and a leg lock insert into the cantilever leg for an integrated and durable finish.

Frame

Lightweight frame with no caster required. Quad-welded lateral support for "Paragon durability." Kickstand crossbar provides front to back table balance. Floor glides integrated into design. For that special touch, the waterfall perforated modesty panel has a clean, lightweight design and extends smoothly down the cantilever frame.

Color Options

Titanium, flannel or wisdom frame paint with your choice of standard laminate colors for top surface. Refer to the Paragon Color Guide for a complete list of colors.

SPECIFICATIONS

○ Surface/Edge

3/4" HPL with 3 mm edgeband.

○ Frame

Flattened oval set of two t-legs using oval tube matching both the existing all terrain legs and the tubing on the cantilever frame. Height adjustment is achieved with 8 contact points on plastic-molded bezels, and the contoured plastic molded end cap is held in place with the insertion of the floor glide.

○ Color Options

Titanium, flannel or wisdom frame paint with your choice of standard laminate colors for top surface. Refer to the Paragon Color Guide for a complete list of colors.

A&D® CROSSFIT TEACHER LECTERN

Patent Pending

Rounding out our newest A&D offerings will be the Crossfit Teacher Lectern offered with a right or left desk and an optional tablet tilt kickstand. This desk features mobility, a locking door and adjustable shelves in the lectern with an attached right- or left-attached desk.

SHOWN WITH OPTIONAL TABLET TILT KICKSTAND

SPECIFICATIONS

Surface/Edge

Desk surface, top and bottom of lectern consist of ¾" HPL with Racetrack T-mold.

Frame

Sides are ¾" thermally fused melamine with 3mm PVC edgeband. Desk modesty panel as well as the front and back of the lectern are made from 16 gauge perforated metal for a lighter weight and cohesive design in the A&D line. The legs of the desk are our flattened oval adjustable single-post leg. Dualie casters are standard.

Color Options

Titanium, flannel or wisdom frame paint with your choice of standard laminate colors for top surface. Refer to the Paragon Color Guide for a complete list of colors.

A&D® ACTIVITY TABLES

Patent Pending

These tables create an ideal environment for small group activities. These adjustable height tables consist of a set of four single-post legs using the flattened oval tube matching both the existing stylish all terrain legs and the tubing design of the innovative cantilever frame. Height adjustment is achieved with 8 contact points on plastic-molded bezels locking the height, and the plastic molded end cap is held in place with the insertion of the floor glide.

A&D® CHAIR

Meets BIFMA standards // Patent Pending

Introducing Paragon's first "anything but traditional" chair. The innovative design is cohesive to the cantilever desk frame. Integrated handles facilitate ease of movement with molded seat attachment bumpers for protection in stacking on the desk. Additional bumpers provide protection when stacking for movement or storage. Stacking capabilities are five per stack. The chair has rounded edges and understated lines with color touchpoints and glides.

This product is BIFMA approved.

INTUITIVE® IC DOUBLE FACE SHELVING

Double-face Information Commons shelving unit/display furniture.

SHOWN WITH OPTIONAL SIDE PANELS, KEYBOARD MOUNT, MONITOR MOUNT, IN-RUN BENCH AND END-OF-RUN TABLE

SPECIFICATIONS

Structure

Unique 16-gauge Intuitive® 4-post design with hidden cantilever shelving offers clean lines and superior structural strength. Unitized frame structure supports 3/4" shelving with smart-install single shelf design for double-faced units. Integrated wire management in base of unit allows for future addition of technology and lighting options. Shelf supports for divider accessory are built into adjustable shelves allowing for attractive top shelf display area. Decorative side panels add a finished touch.

Color Options

Titanium steel with your choice of standard library laminate colors for shelving. Decorative side panels available in complimentary colors. Refer to the Paragon Color Guide for a complete list of colors.

BLENDER® SEATING

The name of this seating says it best. It is designed to blend in with our other library or classroom offerings. The design is highly configurable in and of itself to stand alone, or it can be "blended" into an existing configuration.

MINI BLEND SET OF 2
